

(Wednesday and Saturday)

Excursion with Seagull Motorboat to Maddalena Archipelago!

The excursion starts at 6:00 from **Alghero**, where you will take the bus that will take you to the Harbor of **Santa Teresa**.

When you arrive, the bus will leave you in front of the boat, where the staff will wait for you.

The excursion by boat will start at 9.00 from the Harbor of Santa Teresa, where you will go to the **Island of La Maddalena**, where you will make a stop for an hour to do shopping and visiting the historic center.

You will continue in the direction of the **Island of Santa Maria**, where you have an hour and thirty for a swim in the beach.

Back on board you will reach the famous **Natural Pools of Budelli** where lunch will be offered, which consist of a plate of seafood pasta or alternatively pasta with tomato (**drinks excluded**).

Then you will see the famous **Pink Beach**, which is characterized by the color of the sand and now protected, that's why you can only take pictures from the boat.

Finally, you will reach **Cala Corsara**, where you will stay on the beach for an hour and thirty.

You will be back to the harbor at 17:00 where, from the boat you will have to reach the bus that will wait for you in the pier, in front of the yellow crane, which is 100m from the boat.

You will be back in Alghero at 20:00.
